South Hills High School Alumni Association 1961-Present!

This is a 100% volunteer organization and the oldest and largest high school alumni organization in Western Pennsylvania with over 2,000 members. SHHSAA has been formally organized since April 27, 1961 for the purpose of :

- (1) uniting alumni of South Hills High School in the spirit of fellowship and pride in their former high school,
(2) to chronicle the accomplishments of and items of interest to alumni through regularly published Sesame newsletters (currently 6 issues per year) and the SHHS Hall of Fame, and
(3) for the overall mission to raise funds to award scholarships to qualified students having a familial relationship to any current member of the SHHSAA.

Archived Sesame Yearbooks and Sesame Newspapers indicate that the SHHSAA was originally organized in 1920 by the first graduates of 1919, complete with meetings, officers and social activities including corn roasts and dances. In that sense, SHHS alumni have actively upheld a long tradition for loyalty, spirit and service for almost 100 years.
