

## Praise for *Hidden Heroes*

"After reading the South Hills High School *Hidden Heroes* book, I must admit to being honestly surprised to learn that our alumni have made so many major contributions in all facets of life, in Western PA, the US, and around the World. My reaction was simply WOW!"

— Larry Anderson '69, Sports Hall of Fame Chair, SHHSAA 2nd Vice President

"I previewed the military chapter. I planned on reading it in a section at a time. But I could not put it down; finished reading it in one sitting. It was interesting, exciting, informative, fun—a great read and so well written!"

— Jim Christner '61, Scholarship Committee Chair, SHHSAA President

"Fantastic book. Each chapter contains not only info on the heroes themselves, but also on the surrounding environment and events from which they emerged. I had no idea so many of our alumni accomplished so much. Who knew? Now I am wondering about all those we do not know about, and what they may have done.

— John (Jackie) Taylor '58
